

## Four-Sided Super Jumbo Roll Cage

The Four-Sided Super Jumbo Cages are ideal when handling big or bulky items.

This demountable unit is provided with rod infill on the sides and back and is open on one long side. It has a mesh base and is supplied with 2 fixed & 4 swivel castors and un-braked nylon wheels.

If required we can provide braked wheels and a choice of nylon, rubber or sandwich wheels. We can also offer shelf options if required

This unit is widely used for pick operations in distribution centres.
