

Medium Heavy Duty Hypacage

The medium size collapsable cage pallet allows your goods to be stored safely with convenient access when needed.

The heavy-duty construction means to you that the cages will last. The cage comes with a half-drop-down door for easy access.

The cages can be stacked both when full & when empty depending on your requirements. Ideal for storing various items this cage is hugely popular with manufacturing companies as well as a range of others.

Technical Specification

Base Size	800 x 1000 mm
Overall Height	850 mm
Load Capacity	1200 kg
Finish	Electro Zinc Plated
Unit Weight	48kg

Key Features

- Eliminates shrinkwrap. Far better use of vertical space, mesh infill helps retain products for improved protection – ideal larger / taller products.
- Simple and easy to use design to be operated by a single person.
- Stable door style split gates for easy access to stowed products; access to higher packed products with the bottom gate close reduces the risk of spill merchandise. Bright zinc plated finish helps to reduce corrosion
